Ribbons of Hope 2024

Dance for the Cure is proud to celebrate its 25th anniversary in 2024! We are a local charity whose mission is to financially assist women impacted by breast cancer in Hunterdon, Mercer, Middlesex and Somerset counties. To date, we have gifted over \$1 million to women in financial need as they go through their breast cancer journey. **We need your help to continue to make this possible!**

Our 18th annual fundraiser, *Ribbons of Hope*, will be held on Thursday, October 24th at the Bridgewater Marriott. Please consider donating an item, gift card or service to be used in one of our 200+ amazing raffle baskets. All donations are greatly appreciated and are acknowledged by mention in our program as well as on our website. Monetary donations are also welcome, and checks should be made payable to Dance for the Cure and mailed to *Dance for the Cure* c/o Joanne Liscovitz, 716 Route 206 Hillsborough, NJ 08844. Even though our event is not until October, the earlier we receive donations, the better! **The final deadline for donations is October 1st.**

Feel free to contact us with any questions and we hope we can count on your support!

Sincerely,

Joanne Liscovitz
