

Dance for the Cure's annual October fundraiser, *Ribbons of Hope*, is a delightful evening of dinner, basket raffles and a true celebration of the power and connection of women. All monies raised go directly to local families who are struggling financially due to a breast cancer diagnosis.

Success of this magnitude continues with the unending support of our volunteers and the generosity of our donors.

Tax EIN 10-0817874

Dance for the Cure is a 100% volunteer organization supporting breast cancer patients in Somerset, Hunterdon and Middlesex, NJ counties.

Kathleen Cirioli and Joanne Liscovitz are the co-founders of Dance for the Cure.

Kathleen Cirioli is a three-time cancer survivor, tap dance instructor and former owner of the Kathleen Academy of Dance and present owner of JustTAP! in

Hillsborough, NJ. Her career in dance is how and why Dance for the Cure was founded as she was supported by so many of her studio dance families while going through her own journey. She uses her passion for dance as a way to share her personal story of survival and to give hope to other women who are diagnosed with breast cancer.

Joanne Liscovitz is co-founder of Dance for the Cure, a successful realtor at Coldwell Banker in Hillsborough, and a tap dance instructor.

Chairing Dance for the Cure's annual fundraiser, Ribbons of Hope, has been Joanne's passion for the past 17 years, working with a dedicated team of volunteers to present a beautiful annual event. "The goal of our fundraiser is to raise as much money as possible to help local breast cancer patients in need. It is extremely rewarding to see how our organization comes together for the benefit of others."

Dance for the Cure got its start in 1999 with a performance on the Rosie O'Donnell Show for Breast Cancer Awareness month.

What We Do

Dance for the Cure is successful in raising funds, due to the tireless and dedicated efforts of our 100% volunteer organization. As a result, Dance for the Cure has been able to gift over \$970,000 to date, to individuals throughout Somerset, Hunterdon and Middlesex counties as they go through their breast cancer journey.

The expressions of gratitude from our recipients and the many ways in which a monetary gift can make a small, but significant, positive impact in their lives is very rewarding for the entire Dance for the Cure family of volunteers.

Ways to Give

Donate to honor, celebrate or remember a loved one. Visit www.danceforthecure.org.
